

Altar Guild Report – 2019

The Altar Guild is responsible for preparing the altar and sanctuary for each and every service held at the church which includes weddings, baptisms, funerals, Sunday services and weekday services.

Preparation for Sunday services and cleaning up after Sunday services are the main responsibilities each week in the calendar year. The tasks take approximately 20-30 minutes.

In 2019, our silver-polishing, wax-removing, and advent wreath- making crew worked to create a joyous place to worship for you and me. Hugely flexible and helpful, this team dealt with our glitches with altar flowers which saved us \$50.00 per week. My gratitude for them is enormous.
