

The Parish Prayer List
for MAY in the year of our Lord 2023

The Holy Apostles Parish Prayer List divides all the prayer concerns of the parish among the seven days of the week. Simply pray for each intention/concern on the appointed day. The prayer list is made up of people whose names have been added to our prayer list, our partners in ministry, schools attended by children in our parish, other institutions within the boundaries of our parish, and the names of streets that are within the geographical area of our parish, as well as other streets in the surrounding neighborhoods and communities on which members of Holy Apostles live.

When praying for the residents of the named streets:

- Pray that our neighbors who need Jesus will come to a saving knowledge of him.
- Pray that our neighbors who are already Christian will be strengthened in their walk with God and be firmly grounded in their churches and faith communities.
- Pray that those who need a church will be led to a church, and that those who need to find a home at Holy Apostles will be led by the Holy Spirit to find belonging here.
- Pray that our neighbors of other faiths, especially our Jewish neighbors, will be strengthened in their faith journeys and protected from hatred and harm.
- Above all, pray for God's sustaining grace and protection for our neighborhoods.

May God richly bless you in these prayers, in your personal intentions, and in the prayers of the heart too deep for words.

A handwritten signature in black ink that reads "James" followed by a small cross symbol.
